

BUDDY

electric tow tractor

BUDDY ELECTRIC TOW TRACTOR

Buddy BDD 1000 is a heavy-duty 3-wheel electric people carrier designed to safely and effortlessly transport personnel or small goods up to 50 kg on its platform, while towing wheeled loads up to 1,000 kg, both indoors and outdoors.

Buddy BDD 1000 delivers maximum versatility thanks to its agile 3-wheel design and an exceptionally tight steering diameter of just 2.3 m, making it the ideal solution for fast movements across large facilities, warehouses, hospitals, and industrial plants including inside freight elevators.

Powered by a 48V DC IP44 motor and a Plug & Play 48V lithium battery, Buddy ensures smooth, precise maneuverability at up to 10 m/min in even the most confined spaces. No license is required, and the deadman safety pedal guarantees full operator protection at all times. 100% Made in Italy.

ERGONOMIC DRIVING

Handlebar with all controls at the operator's fingertips for effortless handling during extended work shifts.

EASY TO USE

No license needed. Intuitive operation from day one.

PLUG&PLAY LITHIUM BATTERY

the plug&play eco-friendly lithium battery allows one-handed changes in less than 10 seconds

OPERATOR SAFETY

Deadman safety pedal included as standard for maximum operator protection.

ECO-FRIENDLY

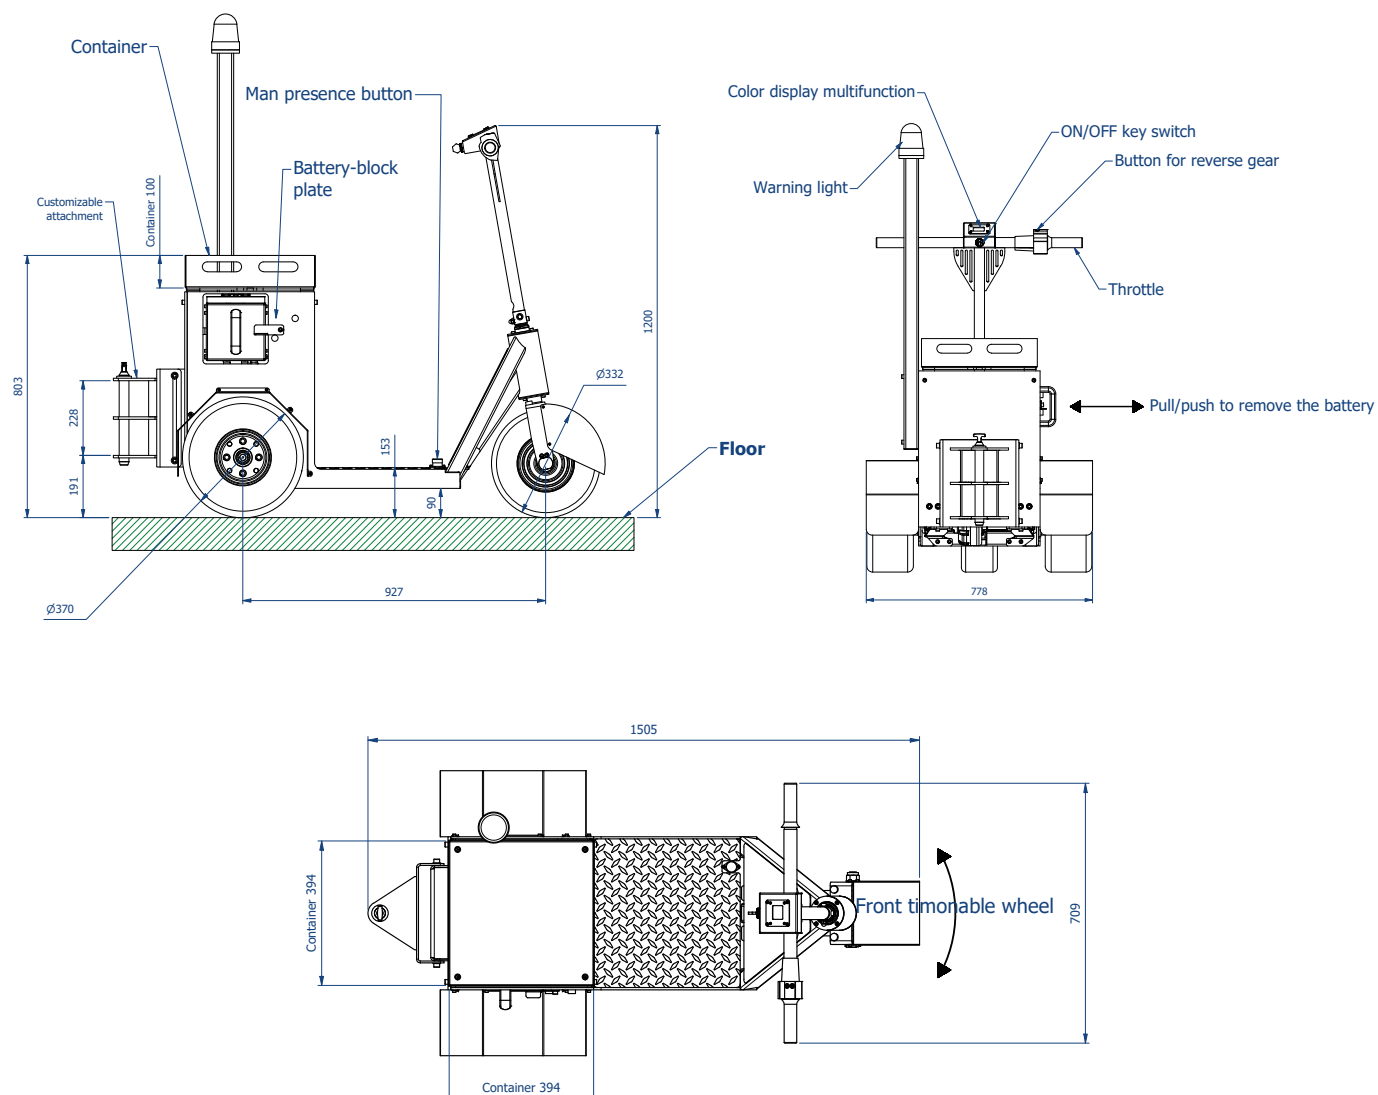

Equipped with lithium battery for zero-emission, low-maintenance operation.

2 YEAR WARRANTY

The only product in its category with a 2-year warranty, applied both to the device and the battery.

ALLY BATTERY POWERED CART

Buddy BDD 1000 is designed to effortlessly transport personnel and small goods up to 50 kg on its platform or tow wheeled loads up to 1,000 kg. Thanks to its compact 3-wheel design and 2.3 m steering diameter, it can operate in the tightest spaces, corridors and freight elevators.

model	pulling power	transportable weight	motor	battery	max speed	unit weight	Unit weight with max. load	Steering diameter
BDD 1000	1000 kg	50 kg	48V DC IP44	lithium 48 V	10 m/min	220 kg	270 kg	2,3 m
